What is TRICARE Online (TOL) Patient Portal Appointments?
TOL Patient Portal Appointments allows you to make, change, and cancel military hospital or clinic primary care and select self-referral appointments. You can also view future and past appointments, set up text or email appointment reminders, and set up earlier appointment notifications.

What types of appointments are supported by the TOL Patient Portal?
Primary care, select self referral and patient education classes can be scheduled using TOL Patient Portal Appointments. If you cannot find an appointment, please contact your military hospital/clinic directly or use Secure Messaging to send a request for appointment to your health care provider team.

Can I access appointments on behalf of my family members?
Yes, you can access TOL Patient Portal appointments on behalf of:

- Yourself,
- Other adult family members (who have granted access),
- Minor children (under 18 years of age).

Can I set up appointment reminders to alert me of my military hospital or clinic appointment(s)?
Yes, you have the ability to define up to three email addresses and mobile phone numbers, including international numbers, for receiving email and text reminders for military hospital or clinic appointments. Set the reminder when prompted as you make an appointment or within your “Profile” on the TOL Patient Portal home page.
