

## Health Record

### What is the TOL Patient Portal (TOL PP) Health Record?

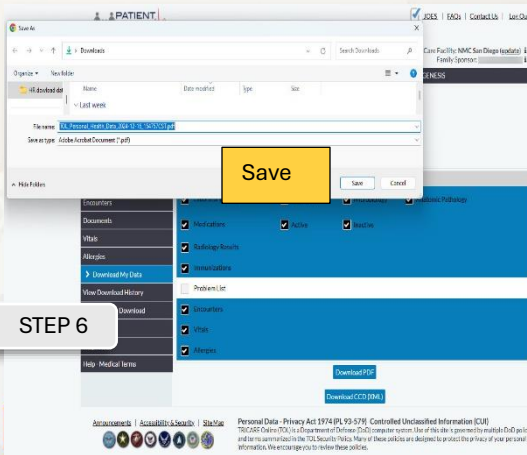

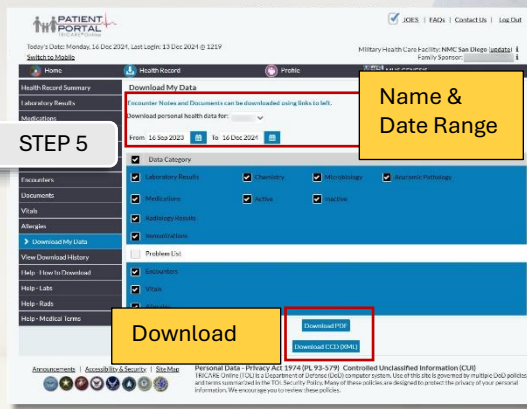

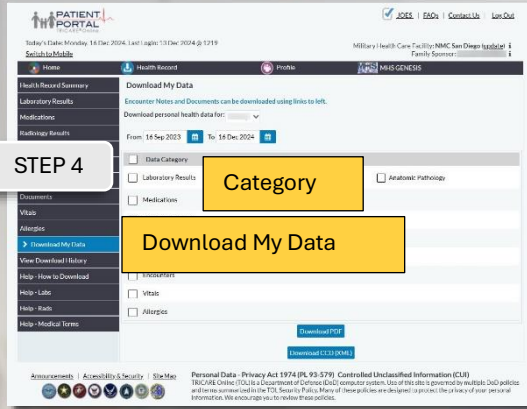

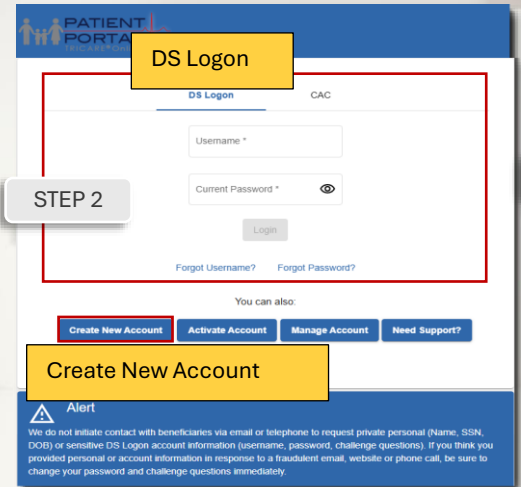

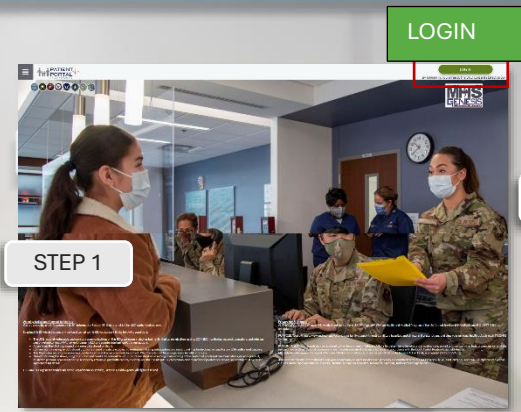

The TOL PP Health Record provides convenient access to personal health data retrieved from your military electronic health record prior to implementation of MHS GENESIS, including:

- Laboratory Results (Chemistry/Hematology, Microbiology, and Anatomic Pathology)
- Outpatient Medications
- Radiology Results
- Immunizations
- Problem Lists
- Encounters (and Notes)
- Documents
- Vitals
- Allergies

### What data can I view in my TOL PP Health Record?

You can choose to view, download, or save your personal health data and your child/children's (under age of 12) health data in a portable document format (.pdf). All health records are available at your military hospital or clinic.

# How do I download Health Record Data from TOL PP?

1. Go to [www.tricareonline.com](http://www.tricareonline.com).
2. Log in with your **DOD Common Access Card (CAC)** or **DS Logon Premium** credentials. If you do not have DS Logon credentials and would like access, click **“Create New Account.”**
3. Click **“Health Record”** on the TOL PP home page.
4. Select **“Download My Data.”** Multiple data categories are available for download. Encounter Notes and Documents are available for download within their data category.
5. Specify the person, data types, date range, and format to download your data.
6. You can open or save your downloaded file.
